WORK IN LAPLAND

The Work in Lapland European Job Days event is perfect for those considering a career especially in tourism and hospitality. This event focuses on connecting jobseekers from all EU/EEA countries with employers in the northern Finland.

Employers across Northern Finland — in Kainuu, Oulu, and Lapland regions— are looking for their next talents, offering you a unique opportunity to work in one of the most breathtaking regions in the world.

Imagine building your career surrounded by pristine snowy landscapes, witnessing the magic of the Northern Lights, and embracing the calm, down-to-earth lifestyle of the North. This is more than just a job — it's a lifestyle experience unlike anywhere else.

In many roles, you will help create unforgettable moments for international guests — some of whom may be experiencing snow, extreme cold, and winter conditions for the very first time. Your work will play a key role in making these encounters safe, enjoyable, and truly memorable.

At the same time, it's important to recognize that this is demanding work. Northern conditions require resilience, adaptability, and a strong sense of responsibility. You are trusted to ensure the safety and well-being of your guests while delivering high-quality service with a positive attitude.
